

## КАФЕДРА БИОЛОГИИ

### КАЛЕНДАРНО-ТЕМАТИЧЕСКИЙ ПЛАН ЛАБОРАТОРНЫХ ЗАНЯТИЙ

для студентов I курса ФИС (*обучение на английском языке*)

специальность «Лечебное дело»

по дисциплине «Медицинская биология и общая генетика»

на II семестр 2025-2026 учебного года.

## Plan of laboratory works

for students of 1<sup>st</sup> year 2<sup>nd</sup> semester 2025/2026

Subject “*Medical biology and general genetics*”

| №  | Topic   | Date               |
|----|---|--------------------|
| 1  | The sex biology and genetics  | 09.02-14.02        |
| 2  | The reproduction of organisms. Feature of human reproduction  | 16.02-21.02        |
| 3  | The individual development. Embryonic development   | 23.02-28.02        |
| 4  | The individual development. Postembryonic development   | 02.03-07.03        |
| 5  | Ontogenetic homeostasis and their regulation  | 09.03-14.03        |
| 6  | Population genetics   | 16.03-21.03        |
| 7  | The basis of parasitology. Medical protistology. Phylum Sarcomastigophora, class Sarcodina                                      | 23.03-28.03        |
| 8  | Medical protistology. Phylum Sarcomastigophora, class Zoomastigota  | 30.03-04.04        |
| 9  | Medical protistology. Phylum Apicomplexa, class Sporozoa. Phylum Infusoria, class Ciliata. Phylum Microspora, class Microsporea | 06.04-11.04        |
| 10 | Medical helminthology. Phylum Plathelminthes, class Trematoda   | 13.04-18.04        |
| 11 | Medical helminthology. Phylum Plathelminthes, class Cestoda   | 20.04-25.04        |
| 12 | Medical helminthology. Phylum Nemathelminthes, class Nematoda. Geohelminthes  | 27.04-02.05        |
| 13 | Medical helminthology. Phylum Nemathelminthes, class Nematoda. Biohelminthes and contact helminthes                             | 04.05-09.05        |
| 14 | Medical arachnoentomology. Phylum Arthropoda, class Arachnoidea   | 11.05-16.05        |
| 15 | Medical arachnoentomology. Phylum Arthropoda, class Insecta   | 18.05-23.05        |
| 16 | <b>The basis of parasitology. Final class</b>   | <b>25.05-30.05</b> |
| 17 | Poisonous living organisms. <b>Computer test</b>  | <b>01.06-06.06</b> |

Зав. кафедрой, д.б.н., доцент

Потенко В.В.
