

**Thematic plan of lectures on normal physiology
for the students studying in English medium
(IV semester 2025-2026 year)**

№ of lecture	Name of the lecture	Number of hours	Lecturer
1. (15.)	8. PHYSIOLOGY OF DIGESTION. 8.1. Functional system of nutrition 8.2. Digestion in oral cavity and stomach. 8.3. Digestion in the small and large intestine.	2	Professor Brel Y.I. 12.02.2026 13.00-14.25
2. (16.)	9. METABOLISM AND ENERGY. NUTRITION 9.1. Metabolism and energy 9.2. Physiological bases of healthy nutrition 10. PHYSIOLOGY OF THERMOREGULATION	2	Professor Brel Y.I. 26.02.2026 13.00-14.25
3. (17.)	11. PHYSIOLOGY OF EXCRETION. 11.1. Characteristic of excretion 11.2. Regulation of functions of kidneys.	2	Professor Brel Y.I. 12.03.2026 13.00-14.25
4. (18.)	12. PHYSIOLOGY OF THE SENSORY SYSTEMS 12.1. General physiology of the sensory systems 12.2. Particular physiology of the sensory systems. Visual system.	2	Senior lecturer Brel Y.I. 26.03.2026 13.00-14.25
	<i>Amount of hours for the semester</i>	8
